## **Dimock Daily Report**

**Date:** March 1, 2012

### **FIELD ACTIVITY**

#### **Water Supply** (Gerald Heston)

- The delivery of alternate water continues.
- 
- 

#### **Water Sampling** (Gerald Heston)

- The On-Scene Coordinator and ATSDR plan to visit a resident tonight to discuss potential health concerns. This residence was the latest one where preliminary data indicated the need for alternate water. Although Cabot was already providing water, the resident still requested this meeting with EPA.
- 
- The site team is mobilizing back to the site on Sunday, March 4, 2012 to resume sampling on Monday, March 5, 2012. Four (4) homes are currently scheduled to be sampled; two homes on Monday, March 5 and two homes on Tuesday, March 6, 2012. At least one more home will be scheduled during the week.
